ORS 76

We've only just
begun to live.

—Carpenters

I'm looking forward
to looking back.

—James Taylor

Time passes
much too quickly
When we're together
laughing.

—Chicago

Well, I keep holdin' on
to yesterday
to keep holdin' on
My yesterdays
have all gone by.

—Ambrosia

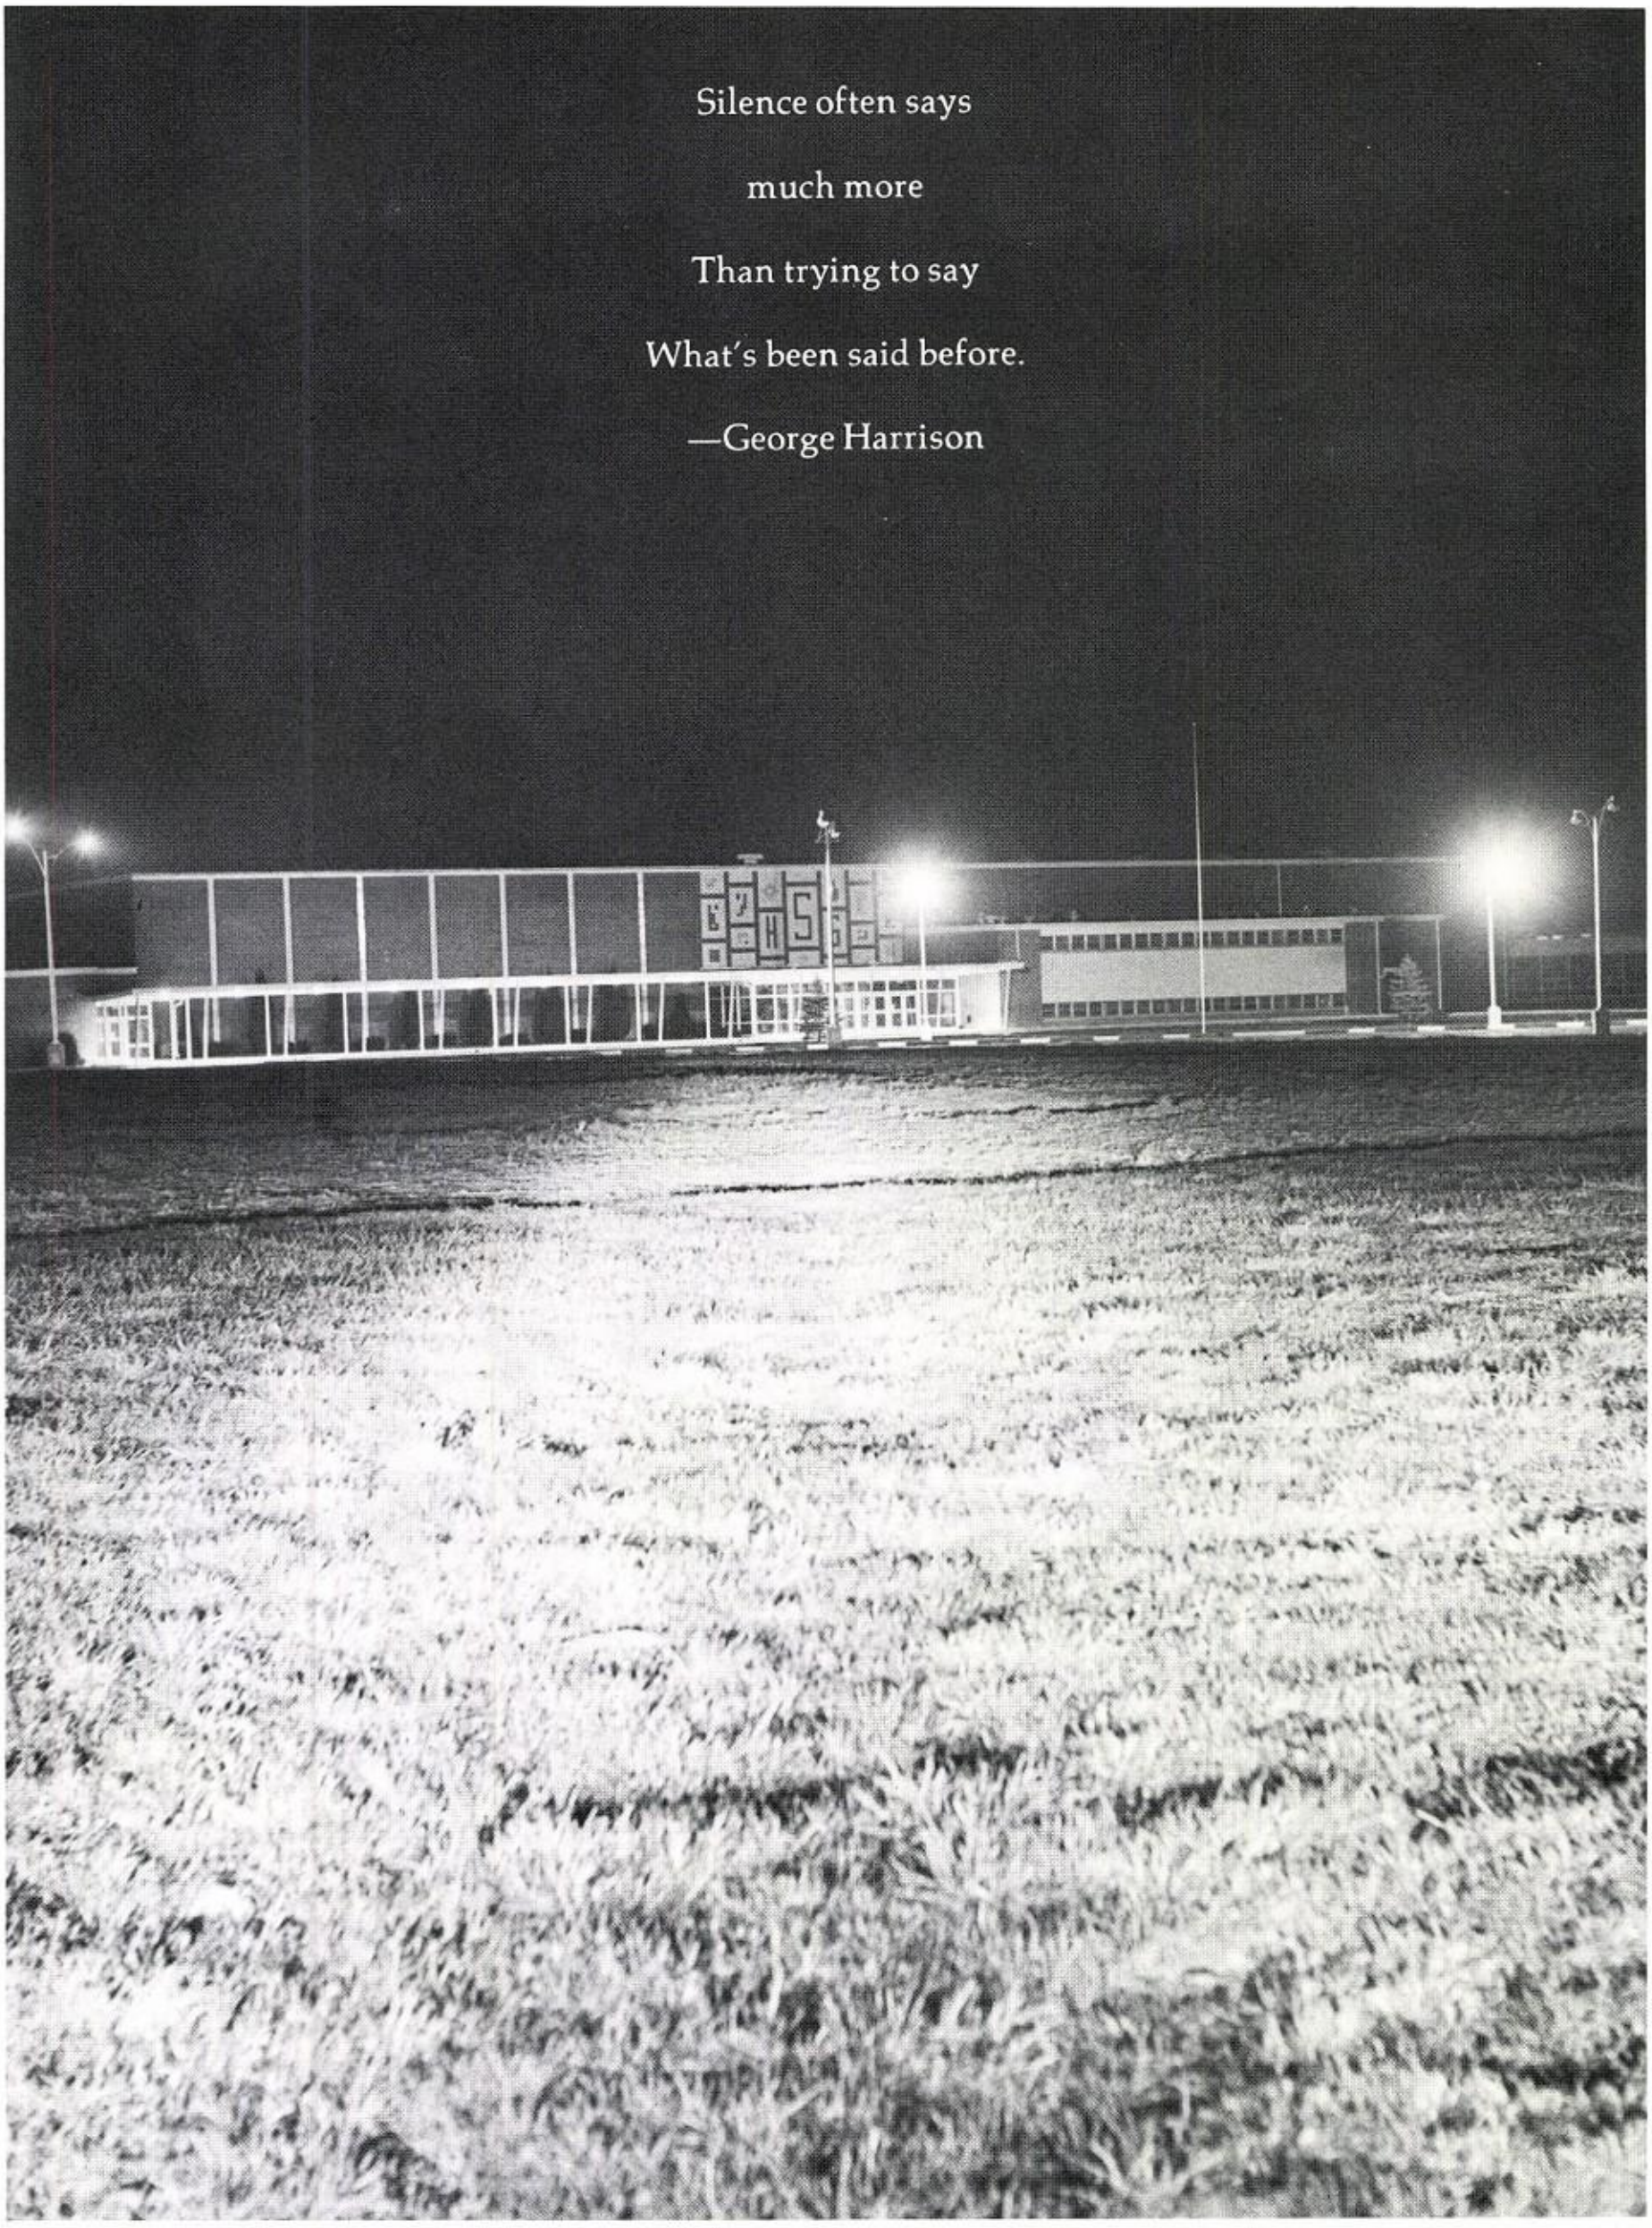
Silence often says

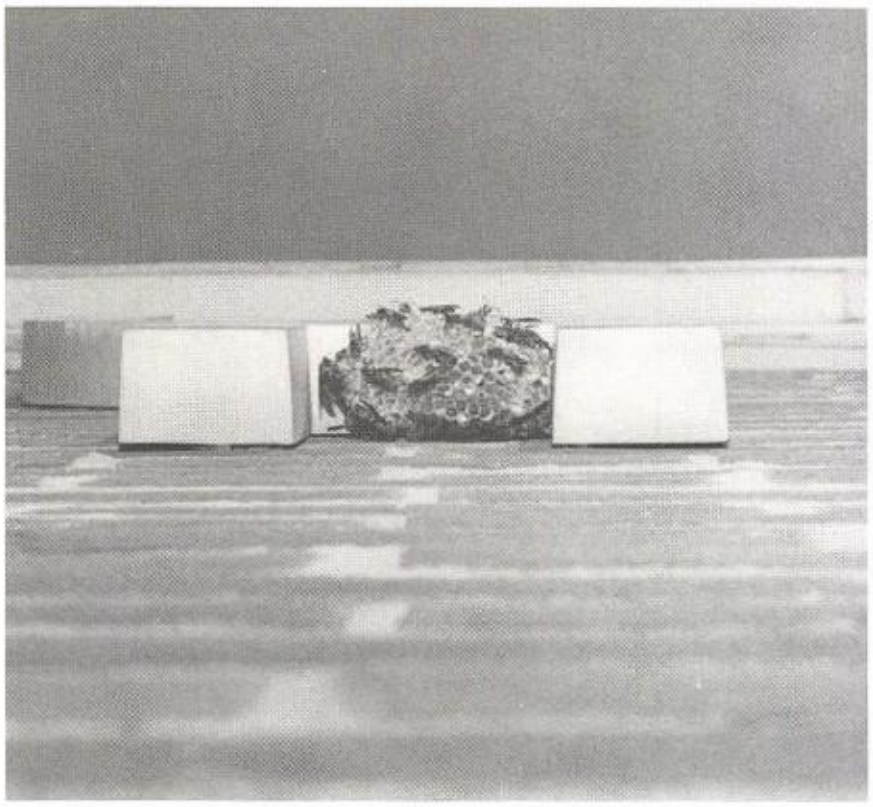
much more

Than trying to say

What's been said before.

—George Harrison

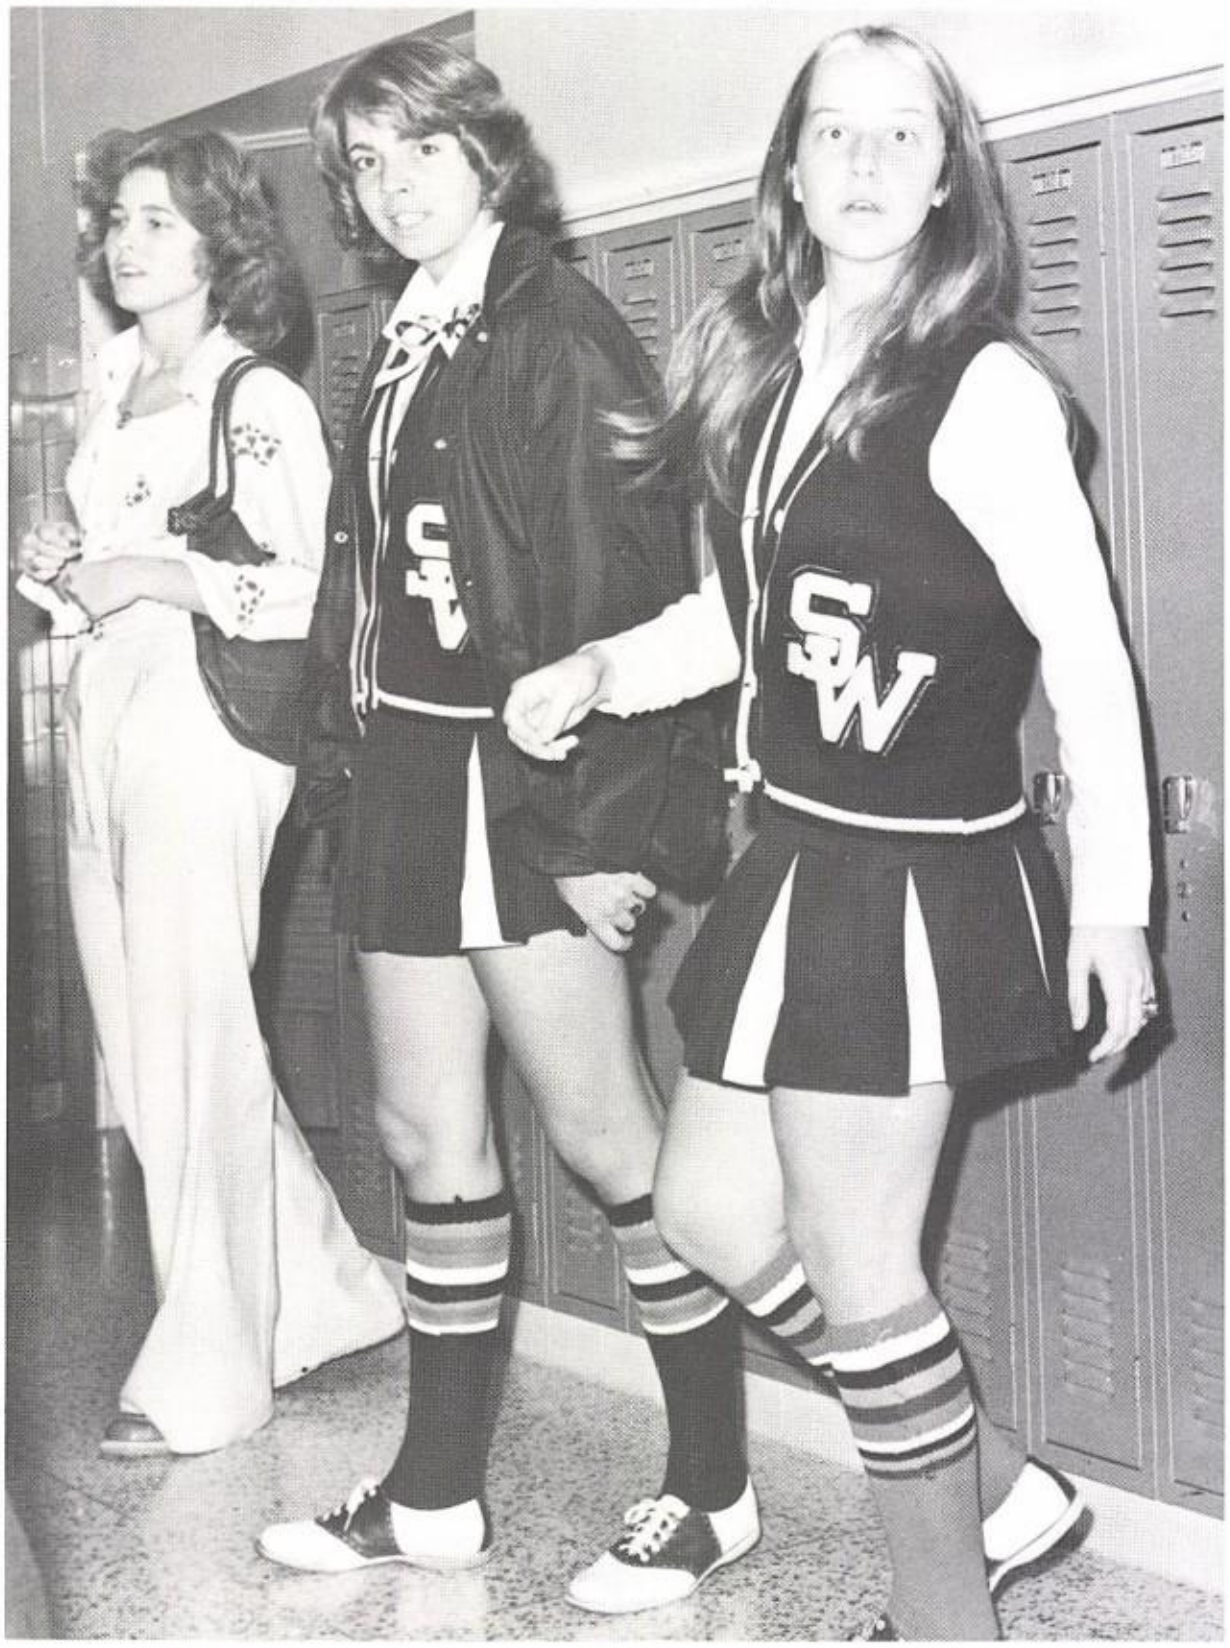


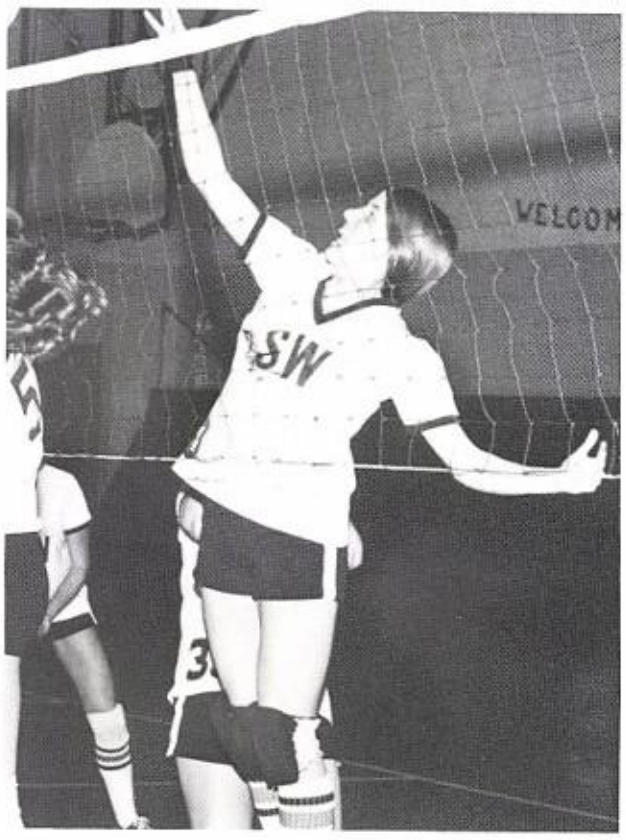


Hey there,

Why don't you

join me.

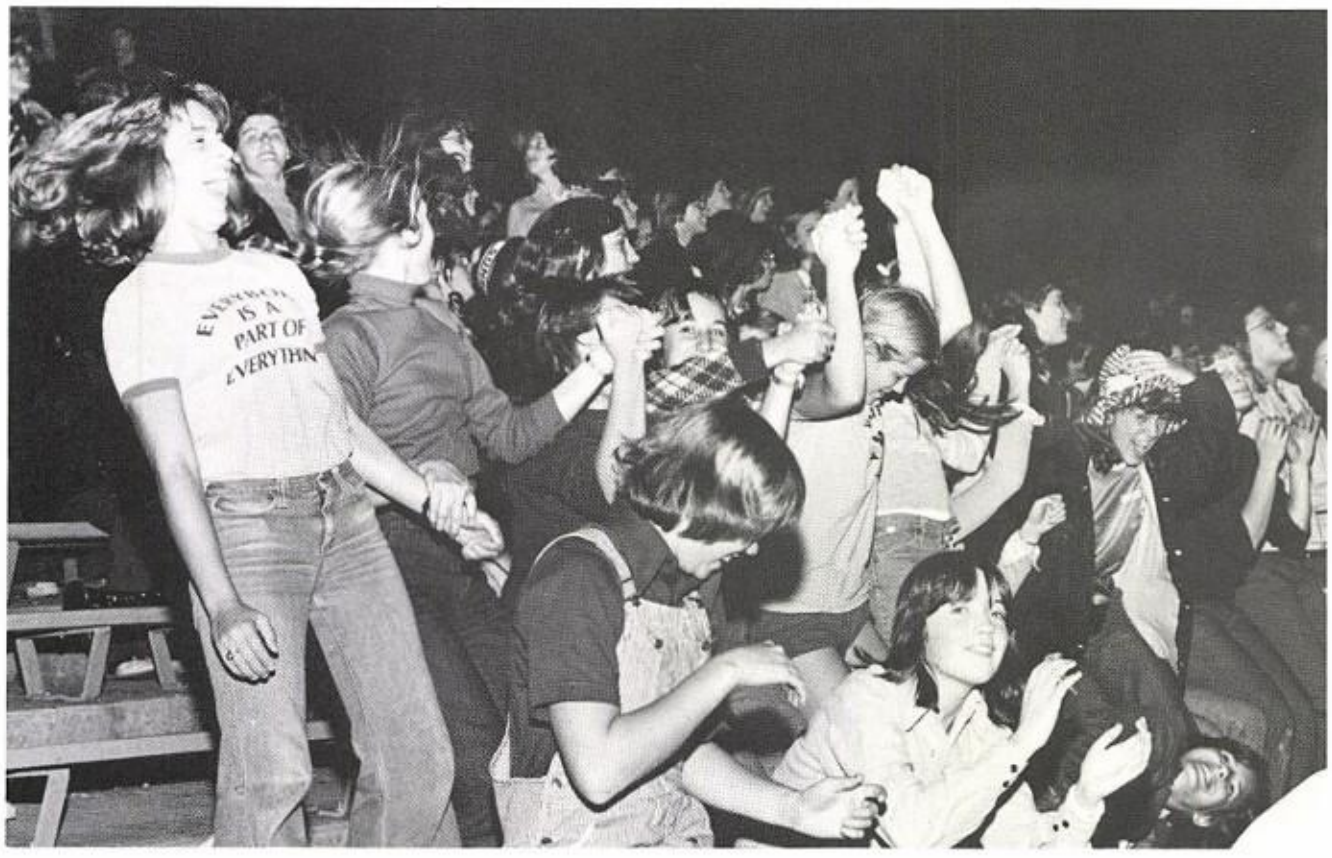


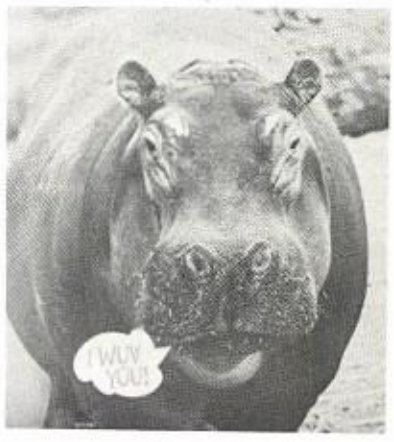


I'll be glad

to know you.

—Electric
Light Orchestra





Stand your ground.

I think you've got the guts

it takes to win.

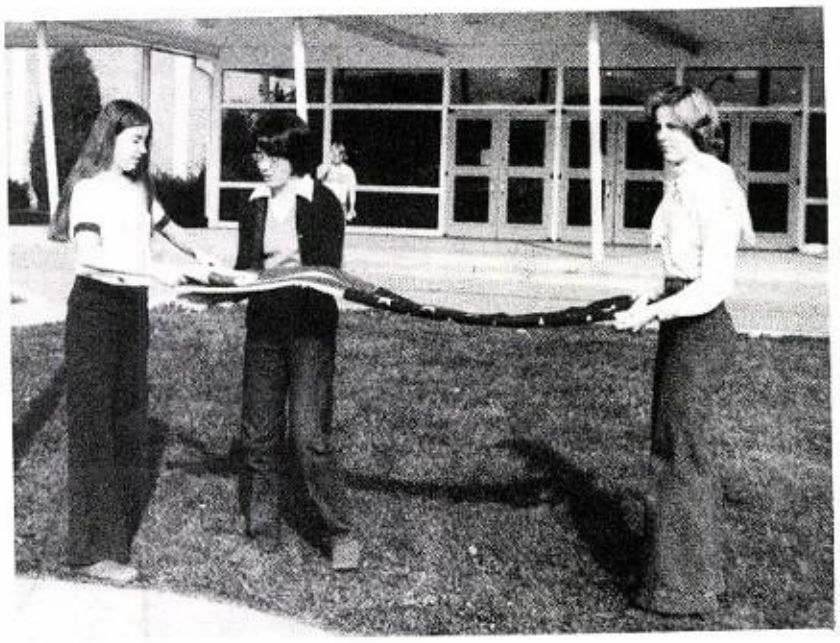
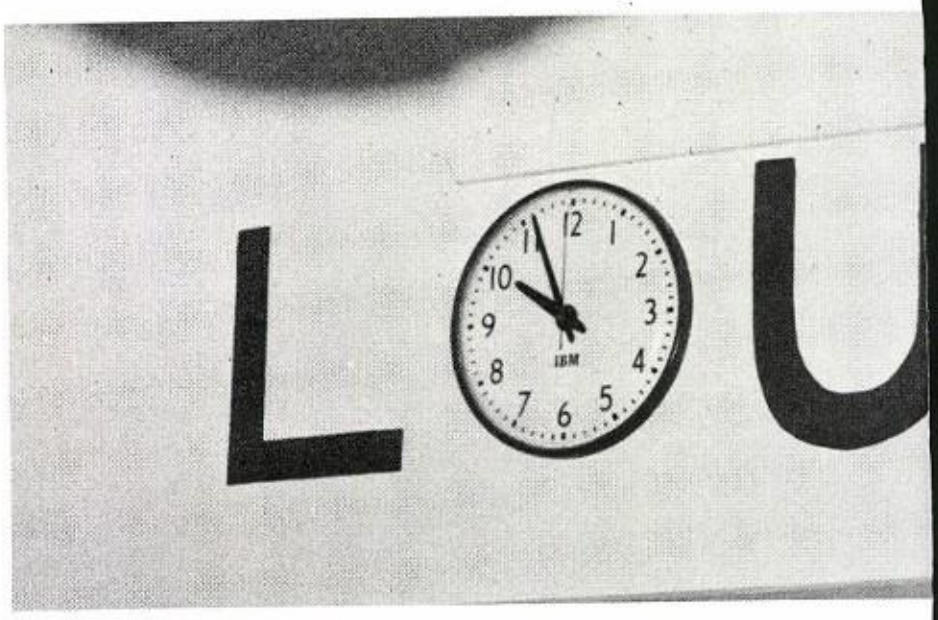
If a picture paints

a thousand words,

Then why can't I paint you.

—Bread





There are times when I think I've found the truth,

There are times when I know that I'm wrong.

And the days when I try to hide my fears,

Bless the days when I'm feeling strong.

—Ray Thomas

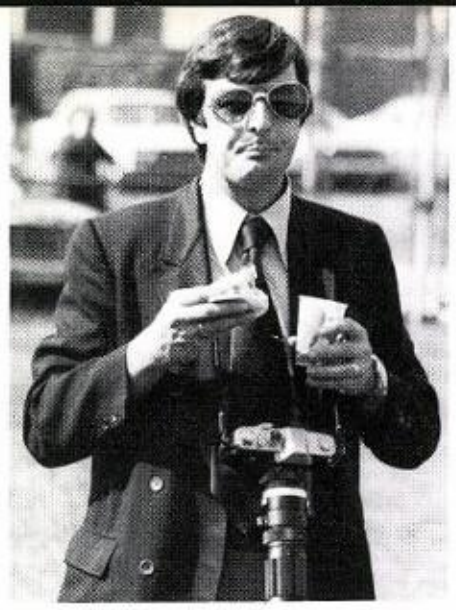
When I'm with you

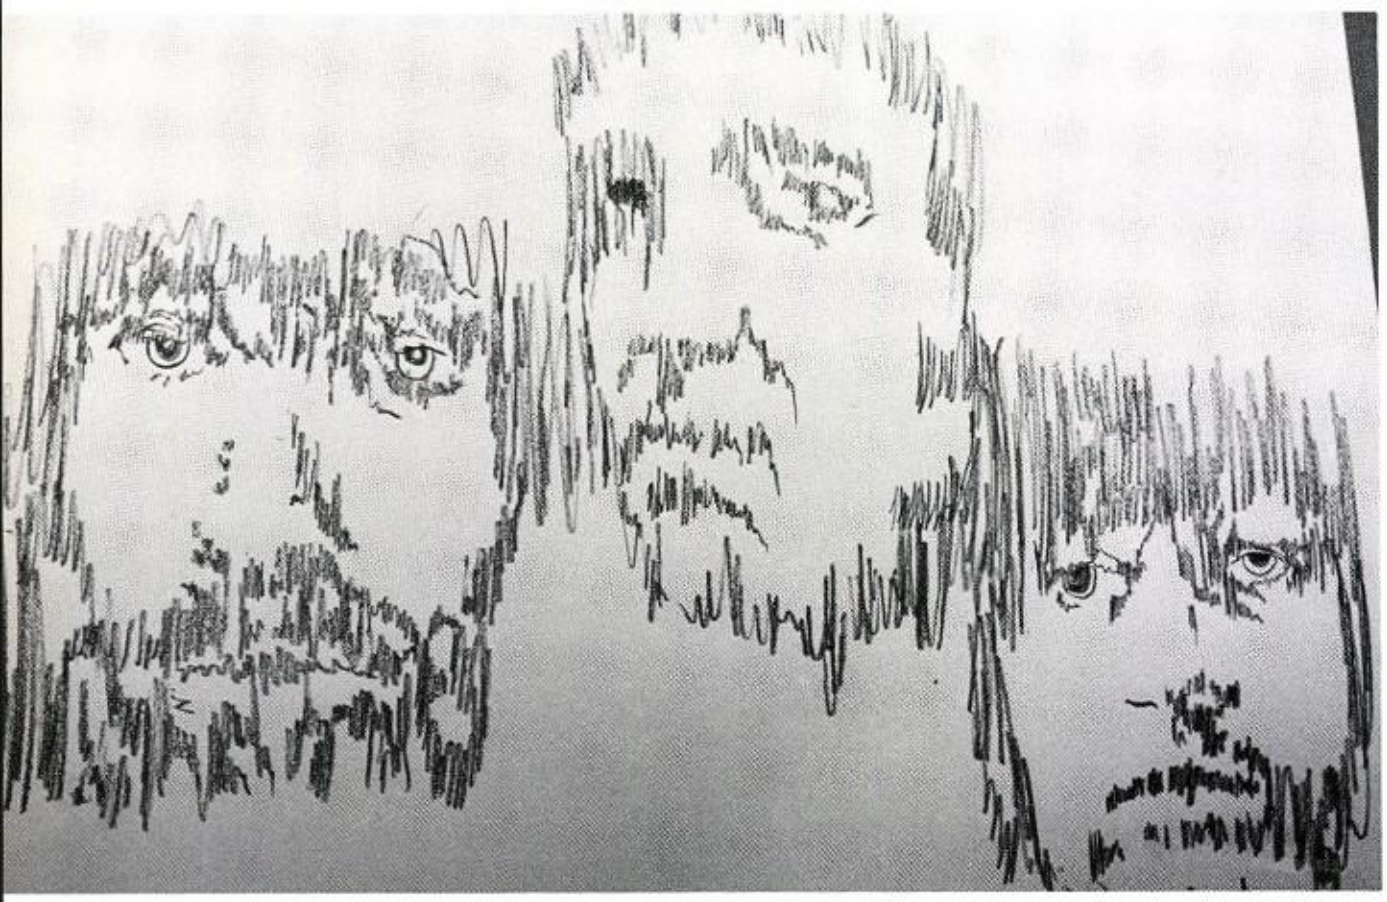
It doesn't matter where we are

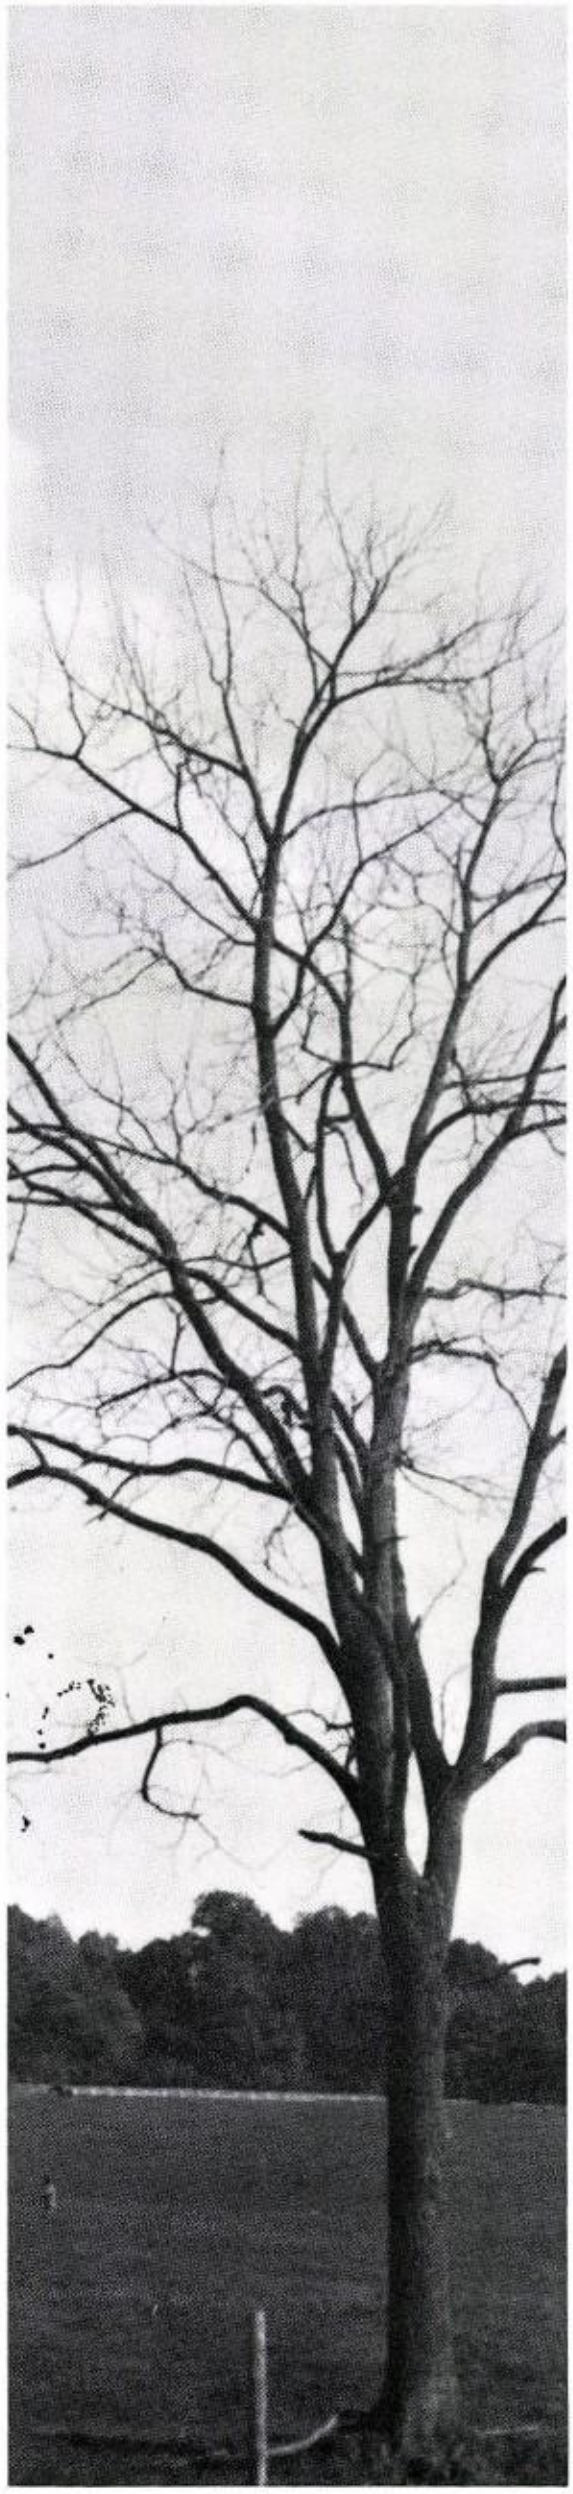
Or what we're doin'

I'm with you and it's all that matters.

—Chicago







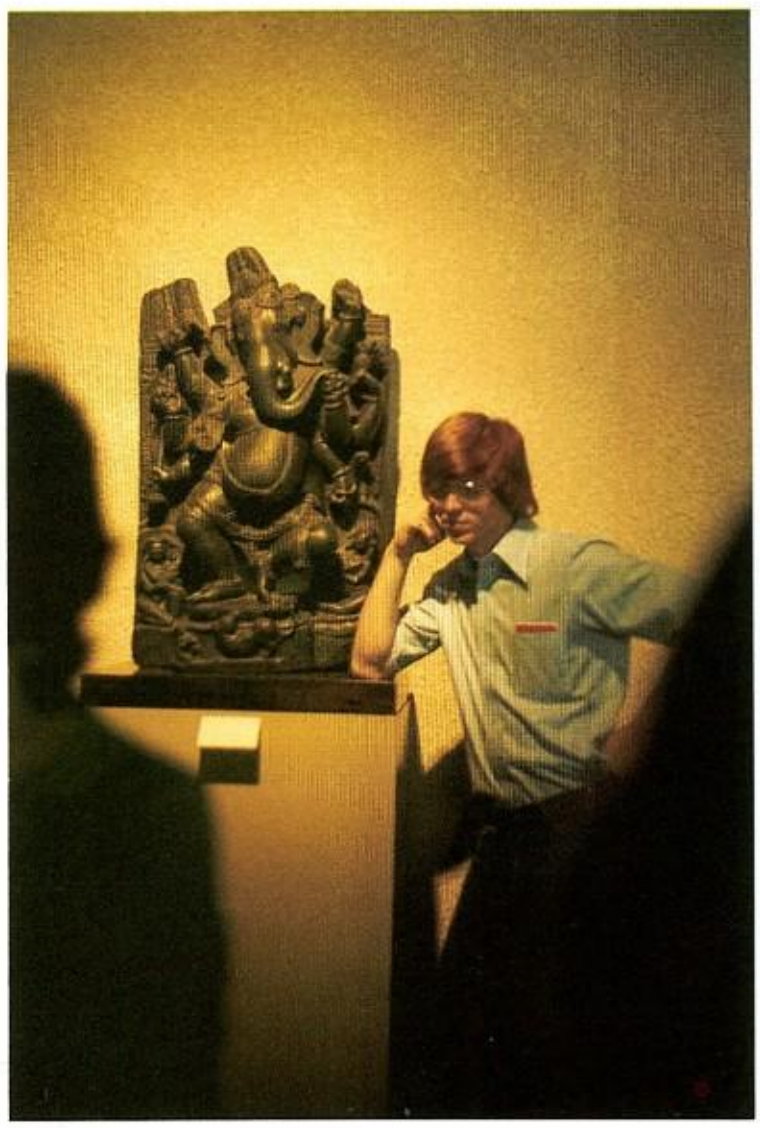
The ghost of the dawn moving near . . .

They pass through your sorrow

And leave you quite still . . .

And here is a sunrise,

to sit on your sill . . .



Sitting among souvenirs.

—Dan Fogelberg

Seniors

Making friends for the world to see,

Let the people know that you got a lot to need.

With a friend at hand, you will see the light;

If your friends are there, everything's all right.

. . . 'Cos friends together watch their childhood fly.

—Elton John

These are

the

good

old

days.

—Carly Simon

It's only just

a memory

Just a little

history.

—Beckley

Leppo Grain Mill
Impounding Dam Road
Hanover, Pennsylvania

Built in 1780, the Leppo Grain Mill is one of the few old mills to survive to the present day in good condition. It was used to grind grain and as a saw mill well into the present century. Ned Rutledge, the present owner, is in the process of renovations on this old historical site.

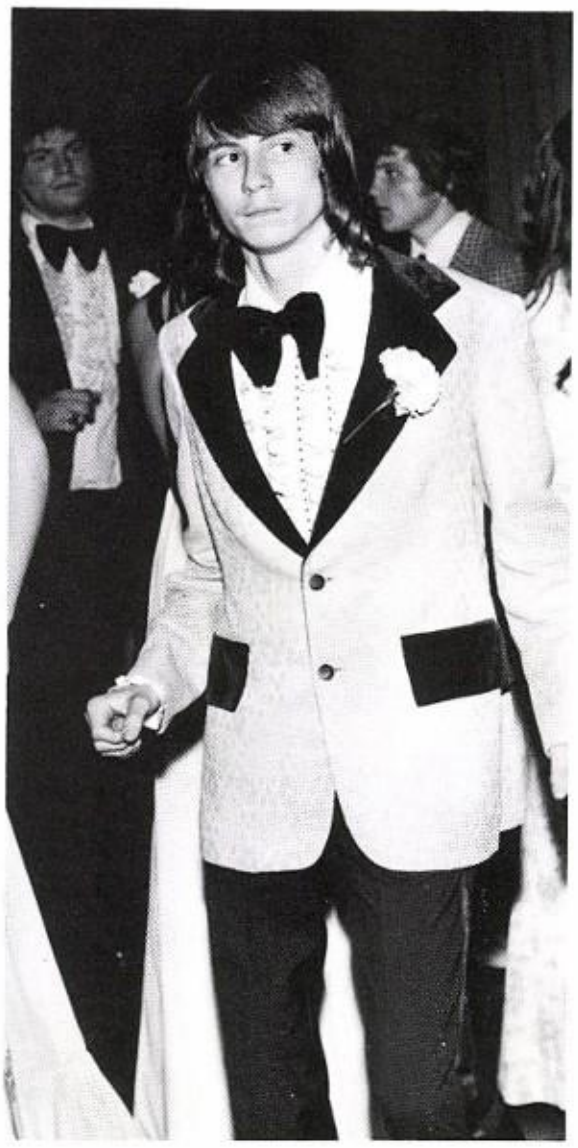
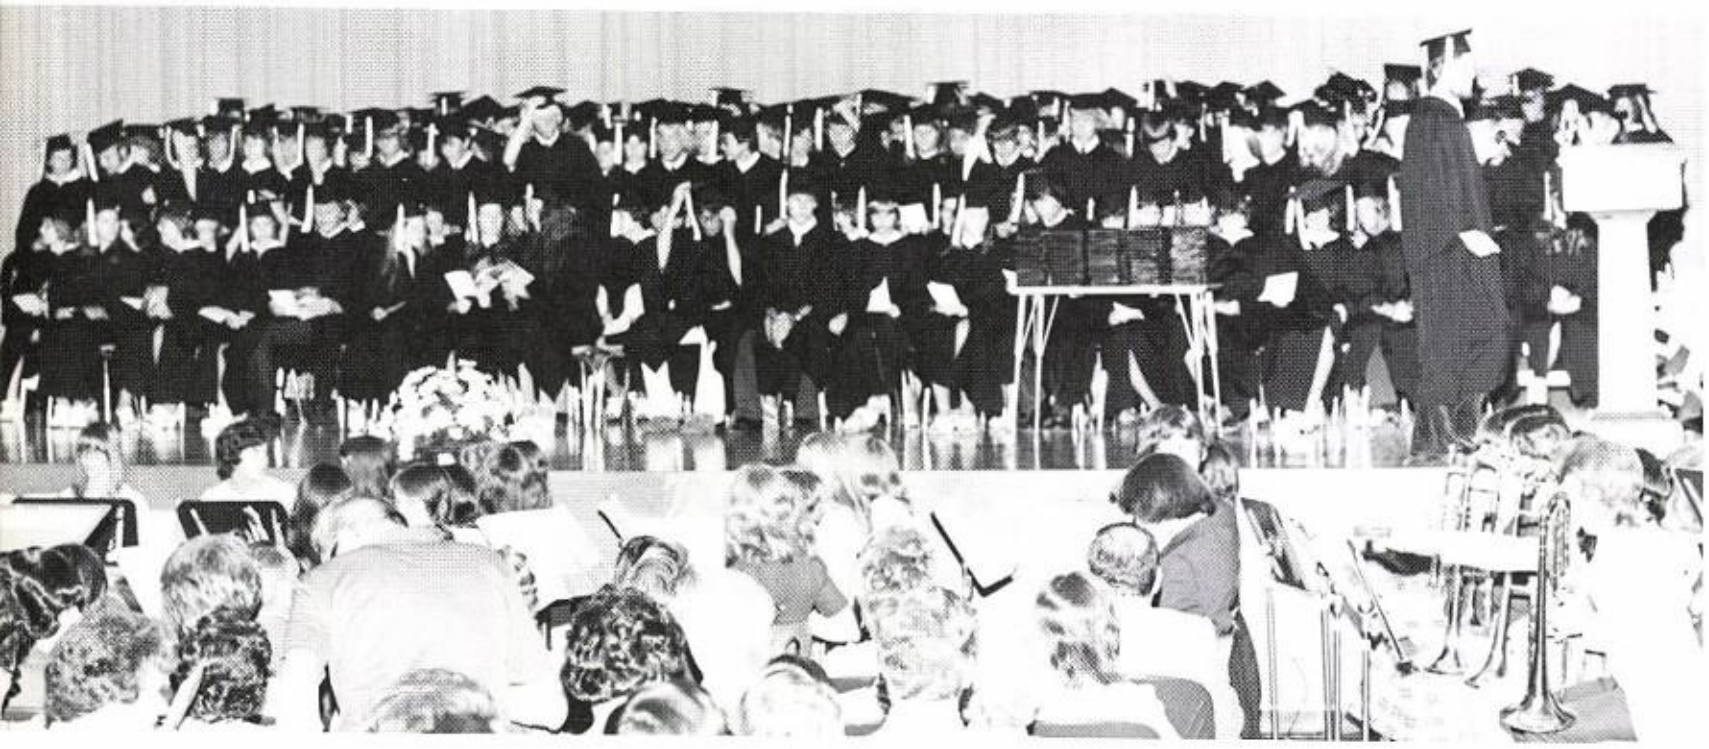
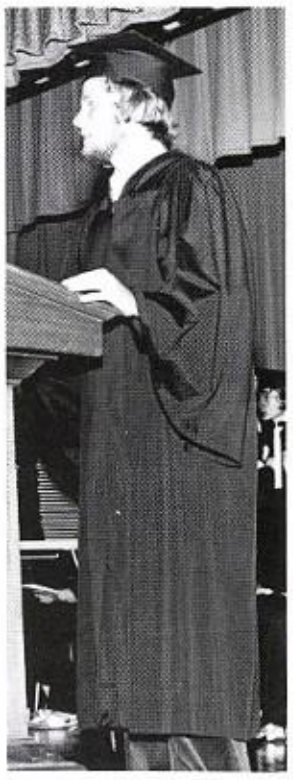
If I could make
days last forever,
If words could make
wishes come true,
I'd save every day
like a treasure.
—Jim Croce







Snowy nights and Christmas lights,
  Icy window panes;
Make me wish
  that we could be together again.
And the windy winter avenues
  just don't seem the same.

Deep in December it's nice to remember
Although you know the snow will follow . . .
Deep in December it's nice to remember
Without a hurt the heart is hollow . . .
Deep in December it's nice to remember
The fire of September that made us mellow . . .
Deep in December our hearts should remember
And follow . . .
